*Australia and United States  
Celebrating over  
100 Years of Mateship*

The relationship between Australia and the United States is unique in its breadth and depth and is characterized by genuine cultural affinity and a robust framework of bilateral cooperation. In 2018, Australia and the United States marked a centenary of Mateship - a friendship first formed in the trenches of World War I during the Battle of Hamel on July 4, 1918. The American Australian Association and the Embassy of Australia invite you to celebrate over 100 years of Mateship at the 3rd Annual Mateship Charity Golf Tournament.

## American Australian Association Veterans' Scholarship Fund

Australian and American service personnel first fought together on the Western Front at the Battle of Hamel on 4 July 1918. Since that date, Australian and American service personnel have fought side by side in every major conflict over the past 100 years. The unique bond has also extended beyond the operational environment and encompasses military intelligence sharing, Defense co-operation, platform interoperability and humanitarian and disaster relief operations.

In recognition of the depth and strength of this 100 year alliance, the Association launched the American-Australian Veterans' Scholarship Fund.

Honorably discharged Australian and American veterans will have the opportunity to study abroad and experience first-hand the culture and society of each others' country.

The program will enable eligible veterans to enroll in an accredited course of one year's duration or longer that leads to the award of an undergraduate or postgraduate degree at a tertiary institution.

The Association will partner with veterans' support organizations on both sides of the Pacific to assist with outreach, review, and selection of award recipients, as well as to provide mentorship to awarded veterans.

The program was launched from proceeds raised at the 75th Anniversary Battle of the Coral Sea Commemorative Dinner on May 4th, 2017 and forms a new pillar in the Association's Education Fund.
